SAFETY + TRAINING + ACCESS CONSULTANTS

# SIMIAN RISK MANAGEMENT

---

**Responsibilities:** Operations Director and joint owner of the business. Responsible for the organisation and management and committed to providing excellence in professional occupational health and safety consultancy. Ensuring we provide client a quality, value for money service that meets and often exceeds expectations. Working as a Senior Consultant and Trainer specialising in temporary access and work at height.

## **August 2003- March 2006**

**Employer:** Safety & Access Limited

**Position:** Regional Manager & Senior Consultant

**Responsibilities:** Responsible for the management of the health and safety management services division of the Company with the Northern half of the UK and ensured the effective provision of service to our clients. I also acted as a Senior Consultant managing the northern client base, providing health and safety management services and training.

Providing advice in most areas of construction/construction engineering safety and specialising in the access and scaffolding industry.

## **October 1990- July 2003**

**Employer:** Cape Offshore Services Aberdeen

**Position:** Safety Advisor/Representative and Advanced Scaffolder

**Responsibilities:** Working to Design drawings, raising work permits, timesheets, stock sheets and co-ordinating with Clients, in charge of 20-25 people on 15 different platform's. I have covered as Contracts Manager for holiday periods and I was platform HLO which also includes the safety of the Helideck crew and personnel.

## **May 1989- October 1990**

**Employer:** S.G.B. Great Yarmouth

**Position:** Scaffolder

## **April 1989- May 1989**

**Employer:** Palmers Scaffolding

**Position:** HGV wagon driver/Scaffold Labourer

## **Jan 1988- April 1988**

**Employer:** Brands Scaffolding

**Position:** Driver/Labourer

## **Significant Achievements & Experience**

- Author of the NASC Safety Guide SG28: 06 Scaffolding for Timber Frame Construction
- Delivered Papers at seminars and conferences for up to 500 delegates
