E-BULLETINS FROM SIMIAN RISK MANAGEMENT LIMITED

## SCAFFOLDER TRAINING CENTRE LAUNCHES

Simian Risk Management has launched the largest private scaffolding training centre in England. We have been accredited to train up to 27 trainees at once at the new centre at Birchwood Park, Warrington.

The centre will deliver courses including PASMA, CCNSG Safety Passport and the CISRS Part 1, System Scaffold Training and Scaffolding Supervisor qualifications. Part 2's should be available in September 2008 and advanced scaffolder training in 2009.

The 15,000 sq ft centre is also the first multi-system scaffolding centre in the UK, equipped with Layher, Contur, Kwikform, Cuplok and Plettac scaffolding systems. Scaffolders take part in practical building exercises alongside tuition sessions in three classrooms, delivered by expert trainers with a wide range of industry experience.

In addition to our existing range of training we are introducing the following courses:

CISRS Part 1 Tube & Fitting – 2 week course > £895 (Retained Client Discount 15% - £760)\*\*
